MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Implementing the Army Acquisition Reform (AR) Strategy

Reference memorandum, SARD-PPR, September 22, 1996,  
subject: Implementing the Army Acquisition Reform Strategy.

In the referenced memorandum, I asked each Army acquisition organization to begin strategic planning based on the Army AR strategy, your mission and the support you must provide your customers. You were to incorporate the AR strategy into your organizational strategic planning process and comply with the furnished "Guidelines for Acquisition Reform Strategic Planning." The product is to be your AR Improvement Plan.

You were to establish an AR Home Page on the Internet by November 1996 and develop your AR Improvement Plan by January 1997. The plan is to be posted on your AR Home Page so we can hyperlink all the AR Improvement Plans.

Please post the AR Improvement Plans to your AR Home Pages by March 15, 1997. Also furnish AR Home Page addresses to my Acquisition Reform Team, ATTN: SARD-PR, by March 15, 1997. We need points of contact identified for the U. S. Army Europe and 7th Army, Eighth U. S. Army and U. S. Army South.

If you have any comments, please provide them to Mr. Maxwell Westmoreland, DSN 751-9141, e-mail [westmorm@sarda.army.mil](mailto:westmorm@sarda.army.mil).
